Q1. Read the passage given below and answer the questions that follow:

12

Just now the lilac is in bloom,
 All before my little room;
 And in my flower-beds, I think,
 Smile the carnation and the pink;
 And down the borders, well I know,
 The poppy and the pansy blow....
 Oh! There the chestnuts, summer through,
 Beside the river make for you
 A tunnel of green gloom, and sleep
 Deeply above; and green and deep
 The stream mysterious glides beneath,
 Green as a dream and deep as death.
 Oh, damn! I know it! And I know
 How the May fields all golden show,
 And when the day is young and sweet,
 Gild gloriously the bare feet
 That run to bathe.....
 Du lieber Gott! (oh my God)
 Here am I, sweating, sick and hot,
 And there the shadowed waters fresh
 Lean up to embrace the naked flesh.
 Temperamentvoll German Jews (spirited)
 Drink beer around; and there the dews
 Are soft beneath a morn of gold.
 Here tulips bloom as they are told;
 Unkempt about those hedges blows
 An English unofficial rose;
 And there the unregulated sun
 Slopes down to rest when day is done,
 And wakes a vague unpunctual star,
 A slippered Hesper; and there are
 Meads towards Haslingfields and cotton
 Where das Betreten's not verboten. (entering is not forbidden)
 if only I could be)
 In Grantchester, in Grantchester! –

1.1 Answer the following questions briefly:

10

a) Why does the stream look dreamy and green?

b) How does the poet contrast his present location with that of his home?

c) What does Gild do on a pleasant day?
